Half Square Triangle (HST) Unit

1. Draw a line from corner to corner on the wrong side of a 2⅞" x 2⅞" **B** square. Place on a corresponding **C** square, right sides together. Sew ¼" from each side of the drawn line.
2. Cut apart on the line and press toward **B** Square. This will create two HST. Make a total of 8. Trim the little "ears". They measure 2½" x 2½".
3. Arrange two HST with a 2½" x 2½" **A** square and a corresponding **D** square. Sew together as shown. Make four. This unit measures 4½" x 4½".

Flying Geese Unit

1. Draw a line from corner to corner on the wrong side of a 2½" x 2½" **F** square. Place on one end of a 2½" x 4½" **E** rectangle, right sides together. Stitch on the line and trim corner away.
2. Repeat this process on the other side of the rectangle. Press. This is one flying geese unit. Make four. It measures 2½" x 4½".

3. Sew a 3¼" **I** triangle to each side of a 2" **G** square as shown. Don't trim the "ears" yet. They will help to align the H triangles.
